

Industry Notice 08/09/2010: Electronic Form Submission (EFS) Implementation

The purpose of this notice is to advise the public that the Directorate of Defense Trade Controls (DDTC) Electronic Form Submission (EFS) software will go-live Monday, August 9, 2010. During this time all other applications will remain available.

EFS is a web-based system that electronically transmits uploaded form packages to DDTC. It can be found on the [DTAS-Online portal page](#). Industry must download, fill-out, then submit DDTC created Adobe PDF forms and supporting documents through this web interface in a secure environment.

IMPLEMENTATION

The implementation date for the software is 9 August 2010.

The EFS software will allow industry users to submit a DS-4076, Commodity Jurisdiction Determination Request Form online.

ACTION REQUIRED

To comply, Industry is strongly encouraged to download and utilize the new "Commodity Jurisdiction (CJ) Determination Request Form" (DS-4076). Please see Federal Register Notice, [75 FR 46843](#), for more information.

For assistance with completing and submitting a Commodity Jurisdiction (CJ) Determination Request Form online please visit the [Commodity Jurisdiction page](#) for detailed help documentation.
